

Personality Assessment Preparation

1. The assessment is not timed, but to ensure that your responses are accurate, please provide the answer that first comes to your mind.
2. There are no right or wrong answers. Each candidate has unique traits that describe her/his individual personality
3. Do not leave the assessment unless you have fully completed it. The page will expire 5 minutes after closing it.
4. If the page is refreshed, please click on the 'resume' button to return to your assessment. Do not click on the 'start new' button as this will require a new token to be entered.
